Explain | What is the “mystery” Paul references here?

Apply | A very surprising phrase in the text is that Paul is “making up what is lacking in Christ’s affliction.” In Adrian’s sermon he explains that what is lacking has nothing to do with the gross, but everything to do with the gospel. How does your life do the same? What can you do this week to make up what is lacking?

Respond | Based on your response, choose to take the next step this week with someone. Be prepared to suffer in necessary.
